### COMMUNITY

In 2019, Del Mar Mesa ranked as the no.1 best place to live for families in California and is one of San Diego county's most sought after localities for a reason.

It is a Southern Californian stretch defined by the grandeur of over 900 acres of preserved open space habitat particular to rolling hills, coastal canyons, and Eucalyptus groves. Home to the Grand Fairmont Del Mar Hotel and Golf Course, top rated schools, and over 10 miles of hiking, biking, or horseback riding trails make for the ideal community environment.
